2. Terms and Conditions for Oil Monitoring Customers

Installation Fee: Installation fee is subject to a site survey.

Monitoring Fee: A direct debit of €4 a month is called on the 5th or the 20th of each month for a duration of 36 months. The €4 covers the cost of the Oil Monitoring Service provided. This monitoring fee is for a standard, domestic, oil-fired heating tank. Larger tanks and commercial applications are subject to a site survey. Frequency of data communication is required.

Device Ownership: Unless you buy the Monitor outright, it remains the property of Glen Fuels.

Data Signal: Monitor installation is subject to network coverage availability at the installation location.

Fuel Supply: Glen Fuels Oil Monitoring Service is contingent on you signing up to our Automatic Top-Up Service and operating within these terms for a Minimum Term of 36 months from the date of Monitor installation. When the Monitor indicates that your oil level is low, we will automatically arrange delivery.

Damage to Device:

1. You, or a third party must not interfere with or cause obstruction to the Monitor as you will be liable for full replacement and/or repair costs. If an engineer is required to visit your property after installation, our call-out rates will apply.
2. If the Monitor becomes defective during the Minimum Term, we will repair/replace the Monitor at no cost to you.

Technical Support:

In the event of a technical issue with the Monitor or the Magnus™ App, please contact Andrew at 01 960 2295 or monitoring@glenfuels.com

Responsibilities:

1. If you are moving house, you must notify us immediately so that we can remove the Monitor or contact the new homeowner/tenant.
2. We may amend the T&C's by giving 30 days' written notice at which point you may cancel the Service.

Cancellation:

1. At the end of the Minimum Term, the Service will automatically roll over into another Minimum Term contract.
2. To cancel this Service, we require 30 days' written notice from you at any time during the Minimum Term.
3. If you do not purchase the Monitor from us during or after the Minimum Term, we reserve the right to remove the monitor and/or cancel the service.

Data Protection:

Glen Fuels Services Ltd and Magnus™ Monitor respect your right to privacy. Both parties are fully GDPR compliant.
